Subject: Mendota Project - Meeting Request

Hello Calvin,

Happy New Year and I hope all is well. I am writing to request a meeting with you/your team to provide you with an update on the Mendota Project status and ask some general questions about financial responsibility. Attendees from the MCNEP side will include me, Rebecca Hollis, and Natalie Nowiski (Permitting Team) and Diogo D'Oliveira (Subsurface). The proposed agenda is:

- Project Status Update
- Outstanding Issues for Class VI Permit to Construct
 - Financial Responsibility
 - Status update
 - General questions & clarifications
 - Well abandonment (if time allows)
 - Subsidence (if time allows)

We estimate the duration of the meeting will be up to 90 minutes, depending on the amount of discussion. Would you please let me know which dates/times work for EPA?

Best Regards,

Roya
